SCRUBS

DEVCON PLASTIC STEEL PUTTY (A)

The original metal filled epoxy putty. Used for hundreds of routine repairs to cast iron, steel and other metal equipment. Can be machined, drilled and tapped.

Part No: D10110

Pack Size: 500g

DEVCON PLASTIC STEEL 5 MINUTE PUTTY (SF)

A metal filled putty for fast emergency repairs to pipes, tanks and essential equipment. Can be back in service after approximately one hour at 24°C.

Part No: D10240

Pack Size: 500g

DEVCON ALUMINIUM PUTTY (F)

An aluminium filled epoxy putty for dependable non-rusting repairs to aluminium equipment and castings. Can be machined, drilled or tapped.

Part No: D10610

Pack Size: 500g

DEVCON TITANIUM PUTTY

A high-tech, titanium reinforced epoxy putty for precision repairs and patching equipment in harsh environments.

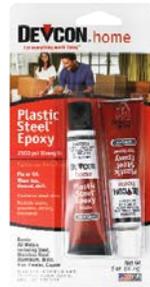

Part No: D10760

Pack Size: 450g

DEVCON PLASTIC STEEL EPOXY (TWO TUBES)

Metal filled epoxy paste for bonding and patching repairs. Ideal for filling under speedy sleeves.

Part No: DS-5
Pack Size: 57g

DEVCON FASMETAL 10 (HVAC)

Aluminium filled epoxy paste for bonding and patching repairs to aluminium and alloys in a convenient two tube pack.

Part No: D19770
Pack Size: 184g

DEVCON PLASTIC WELDER (DEV-TUBES)

A toughened structural adhesive that produces superior load bearing bonds for all types of plastics including ABS, PVC, fibreglass and polycarbonate.

Part No: DS-220
Pack Size: 28g

GALMET COLD GALVANIZING

Zinc rich coating for maximum protection against corrosion and touch up after welding.

Part No: GGCGA

Pack Size: 400g Aerosol

GALMET DURAGAL®

High performance anti-corrosive silver paint for fabrication industry.

Part No: GGDSA

Pack Size: 350g Aerosol

GALMET RUSTPAINT

A single pack, epoxy modified enamel specially formulated to protect and beautify both new and old metal surfaces. Rustpaint exhibits a tough, abrasion resistant finish.

Part No: Available in 14 assorted colours

Pack Size: 350g Aerosol

GALMET[®]
METAL PROTECTION

*Protecting Industry for
Over 50 Years*

ROCOL SAPPHIRE ULTRAPLEX

A high performance, lithium complex based bearing grease. Suitable for a wide range of industrial, mining and automotive applications such as electric motors and pump bearings.

Part No: RY424851

Pack Size: 450g Cartridge

ROCOL SAPPHIRE FOODLUBE

A white, synthetic food grade, multi purpose bearing grease. Provides effective lubrication and protection under high loads and extreme conditions.

Part No: RY515330

Pack Size: 400gm Cartridge

MOLYBOND OPAL HI-LOAD

Heavy duty, general purpose grease containing molybdenum disulphide. Formulated to provide heavy load carrying and protection against wear and water washout.

Part No: RK353857

Pack Size: 450g Cartridge

ROCOL SILICONE LUBRICANT (SL) SPRAY

A clean, non-toxic, high performance lubricant for the food and chemical industries. Food approved.

Part No: RY502452

Pack Size: 250g Aerosol

ROCOL DRY FILM TEFLON® SPRAY

A premium dry film lubricant with very low frictional properties. Suitable for a wide variety of applications in food environments or clean industries.

Part No: RY502142

Pack Size: 300g Aerosol

ROCOL FLAWFINDER KIT - 3 PART KIT

A complete three step precision crack/flaw detection kit. Contains cleaner, developer, and penetrant.

Part No: RY642543

Pack Size: 3 x 250g Aerosol

ROCOL RTD SPRAY

A reaming, tapping and drilling fluid in a convenient aerosol. For use with difficult to reach applications.

Part No: RY552132

Pack Size: 300g Aerosol

ROCOL RTD COMPOUND

A high performance cutting compound that adheres to the working surface to improve thread and surface finish.

Part No: RY551211

Pack Size: 500g

ROCOL RTD LIQUID

A high performance cutting fluid that reduces wear and improves surface finish. Also suitable as a die lubricant for drawing and punch work.

Part No: RY550171

Pack Size: 500ml

ROCOL COPPER ANTI-SEIZE SPRAY

A copper based anti-seize in convenient aerosol for difficult profiles or restricted spaces. Temperature restraint to 1100°C.

Part No: RY482482

Pack Size: 300g Aerosol

ROCOL COPPER ANTI-SEIZE (J166)

Formulated to a soft paste containing friction reducing solids to prevent seizing and galling of threads in corrosive or high temperature conditions.

Part No: RY480431

Pack Size: 500g

ROCOL NICKEL ANTI-SEIZE SPRAY

Formulated to prevent seizing of threaded components at extreme temperatures or adverse environmental conditions. Suitable for stainless steel.

Part No: RY480455

Pack Size: 350g Aerosol

ROCOL NICKEL ANTI-SEIZE

Provides anti-seize properties up to 1400°C. Protects against wet conditions, chemical attack and prevents seizing and galling under heavy loads.

Part No: RY480450

Pack Size: 500g

ROCOL WHITE CHAIN & DRIVE SPRAY

A food grade lubricant combined with PTFE to provide a tough, thin film that ensures minimum wear of chains and sprockets.

Part No: RY442330

Pack Size: 250g Aerosol

ROCOL CHAIN & DRIVE SPRAY

A chain oil containing molybdenum disulphide to penetrate pins and bushes of roller chains. Excellent lubricating qualities provide extended service life of all chains and sprockets.

Part No: RY442352

Pack Size: 300g Aerosol

ROCOL WIRE ROPE SPRAY

Excellent lubrication and corrosion prevention of wire ropes under all conditions. Penetrates to the core of the rope to provide complete protection against wear and corrosion.

Part No: RY452412

Pack Size: 300g Aerosol

ROCOL OPEN GEAR SPRAY

Lubricates and provides corrosion protection for open gears. The flexible grease film offers high load carrying and wear resistant properties.

Part No: RY462402

Pack Size: 300g Aerosol

SCRUBS® HAND CLEANER TOWELS

Scrubs patented dual textured towels that lock in dirt, oils and grease as well as other contaminants, and will not transfer soils back onto hands, leaving your hands clean without the need for rinsing. The pre-moistened towels allow the convenience of cleaning your hands Anywhere Anyplace Anytime™.

Part No: S42272

Pack Size: 72 Wipes

SCRUBS® GRAFFITI & SPRAY PAINT REMOVER TOWELS

An absorbent abrasive non scratching towel that will loosen and remove graffiti and spray paint, trapping the residue to stop it from being re-deposited onto the cleaned surface.

The portable, one step, convenient way to remove graffiti and spray paint.

Part No: S90130

Pack Size: 30 Wipes
