

NEW

'IT'S STILL US, JUST BETTER LOOKING.'

New announcement from the Managing Director of INOX Lubricants

We are very excited to announce the release of our New INOX Branding. Changes have been made to our Logo and Product Packaging to give the overall brand a facelift. We hope you will enjoy meeting the New and Improved look of INOX, a distinctive label with the same trustworthy quality you know and love. Keep your eyes open for the new products in store.

The official Launch will be 10 February, but you will start to see our New Branded products hitting the marketplace now, with more products to come over the next few months.

We thank you for continually supporting an Australian Owned and Operated Company, which has been manufacturing INOX products for over thirty years. We pride ourselves on sourcing locally produced materials and packaging to create our leading products - what sets us apart is the quality of our ingredients and our commitment to our great customers.

IMPORTANT:

Please send the best contact details for your marketing and sales department to info@inoxmx.com or call us on 07 3209 8733. We will then forward the new product images and logo to your team to update the INOX range on all your media platforms. We are also interested in advertising our 'NEW LOOK' within your outlets and advertising avenues, so please let us know how we can get the word out in your store!

Best Regards,

Angela Chardon
